

TouchIT Wall Mount - 65"

TOMORROW'S TOUCH-BASED TECHNOLOGY, TODAY...

Product Specifications

- Weight Capacity: 110 lbs.
- Distance From Wall (flush): 4-1/4"
- VESA Compatible: Universal from 100mm x 100mm to 800mm x 500mm
- Color: Black

The TouchIT Mount has articulating arms that extend out from the wall up to 18-1/2". The TouchIT Mount allows you to move the TouchIT LCD to face different sides of a room for viewing. When flush with the wall, this mount protrudes 4-1/4". Included with this mounts is a screw, washer, and spacer kit.

The TouchIT Mount has tilting arms that allow you to angle down your LCD up to 12°. Angling your TouchIT LCD down provides the best picture when viewing from below the screen. The TouchIT Wall Mount is VESA compatible for 100mm x 100mm to 800mm x 500mm, fitting a wide range of LCDs. The TouchIT Mount includes the hardware to mount the LCD on wood studs or a solid concrete wall. If you have any questions regarding your wall type or installation, please consult with a professional.
